End time: 4:20 PM

Guest: Nakshatra Gangala, Founder of Avaastha.

Venue: QEEE Hall, JC Bose Block

Number of teams: 28

Number of participants: 70

Introduction:

- What is brand blend?

  Brand Blend is an innovative event designed to empower startups by enhancing their branding capabilities. The event combines a workshop on brand creation and identity with a hands-on logo creation competition, offering participants a unique opportunity to develop practical skills in branding and design. This initiative aims to instil a deep understanding of the significance of brand identity in entrepreneurial success. Participants not only learn about essential branding concepts but also apply their knowledge to create compelling logos that reflect the essence of their business ventures

- How did the guest start the workshop?

  The guest began the workshop with a brief introduction about herself, sharing her professional backgrounds and experiences in branding and marketing. She engaged the audience by discussing the relevance of brand identity in today's competitive landscape and posed thought-provoking questions to stimulate interest. This approach helped set the tone for an interactive session, encouraging participants to think critically about their branding strategies.

- Achievements of the guest

  Industry Experience: Guest speaker brought years of experience in branding, marketing, and design, having worked with renowned companies and startups.

  Successful Projects: She shared success stories of brands they had helped establish, illustrating the impact of effective branding on business growth in Siddipet (Telangana).

Main highlights of the event:

- Two-Part Format: The event features a workshop followed by a brand creation competition.
- Expert-Led Workshop: The guest guided participants through the fundamentals of brand creation and identity.
- Practical Application: Participants apply their learnings in a logo design contest, fostering creativity and innovation.
- Networking Opportunities: Attendees can connect with industry professionals, gaining insights and feedback on their branding strategies.

Inputs from the Guest:

The guest speakers provided several key insights to participants during the workshop:

- Importance of Brand Identity: Emphasized the role of a strong brand identity in differentiating businesses in competitive markets.
- Crafting a Brand Story: Discussed how to create a compelling narrative that resonates with the target audience.
- Visual Elements: Explained the significance of color palettes, typography, and logo design in establishing brand recognition.
- Psychology of Branding: Highlighted the psychological impact of design choices on consumer perception and behavior.
- Cohesion Across Platforms: Stressed the importance of maintaining consistency in messaging and visual identity across all touchpoints.

Challenges:

There was a wi-fi issue for about half an hour and also power was down for about 10minutes during the event.

Conclusion:

The participants have been benefitted by this event by gaining the practical knowledge on branding and logo design. The interaction with the industrial professionals helped the candidates to deeply understand the significance of brand identity in their entrepreneurial journey.
